

1Mosaic Church

Job Title:	Student Pastor
Position reports to:	Lead Pastor / Leadership Team
Salary:	Pending - Flexible Hours & PTO (w-2 tax filing)
Employment status:	Part-Time

Position Overview...

Responsible for overseeing, creating & leading a Jesus centered community of high school & middle school aged students (7th-12th) & leaders. Equipping, Engaging, Investing & Team Work are the keys to this role as you will work with the church staff in advancing the mission.

Responsibilities...

- Invest and equip new leaders into the student ministry program. Our hope is that this is done through bi-monthly / monthly - leader discipleship, mentoring and training.
- Develop and maintain Christ-centered ministry relationship with parents – encouraging and equipping them whenever possible to aid in raising teens who know, love and live surrendered and obedient to Jesus and His teachings.
- Organizes, leads and runs a weekly gathering consisting of (but not limited to) worship, teaching, prayer and small group discussion.
- Encourages and points students towards 1Mosaic's Sunday Gatherings – if they are not a part of some other weekly faith community.
- Cast vision for Student Ministries that is in line w/ the mission & vision of our church.
- Identifies students with leadership abilities & works to develop these skills for Christ.
- Meets with the leadership of 1Mosaic regularly to give updates, inform of needs, share what God is doing and spend time in prayer over the ministry & students.
- Organize and orchestrate one major event [outreach] of some sort per semester.

Gift Set...

- God given leadership and communication skills. Preferably some music skills also.
- Able to communicate God's truths and vision in real and authentic ways (Spirit led).
- Experience in discipling and training students to make an impact in their world today.
- Heart and passion for authentic life change, accountability and those far from God.

Education / Training...

- Preferred - college degree in Bible/Ministry or related field.
- Experience in leading / teaching / training (mentoring) students.
- Technologically Inclined - computer skills, video editing, basic sound/lights/web
